COLLEGE FOR LIVING PROGRAM

FALL SESSION 2022

(September, October)

The COLLEGE FOR LIVING gives opportunities throughout the year for individuals with developmental disabilities to take part in and explore the many local resources available in the community. Funded through Summit DD, this program offers citizens with disabilities a wide variety of activities to socialize, explore hobbies, or discover new interests. As the primary force in the community dedicated to inclusion, Summit DD believes that communities are stronger when they include everyone – with or without a disability. Discover more about Summit DD at www.SummitDD.org.

The Blick Center is a private, nonprofit, outpatient clinic that began in 1969 with a group of parents of children with developmental disabilities and a few volunteer professionals. Together, they developed the Clinic into a single, comprehensive source of diagnostic evaluation, treatment, and support group services to persons with developmental disabilities. For more information, visit their website at www.blickcenter.org.

THANK YOU FOR PARTICIPATING IN THE COLLEGE FOR LIVING PROGRAM.

WE ENJOY SPENDING TIME WITH ALL OF YOU!!

Hello CFL Participant,

Below are the current CFL policies. Many of these are not new, but I wanted to take the opportunity to remind everyone of them.

- **GENERAL:** Participants need to provide their own transportation to/from activities. For some craft activities, if the participant leaves in the middle of the activity they will not be able to take home a completed craft project as the craft requires the amount of time to put together and the group will not be held up so that an individual's project can be done before they leave. No pets are allowed at a CFL activity, only qualified service animals.
- **REFUNDS:** No cash refunds are given. In the event an activity needs to be cancelled by the activity leaders for extraordinary circumstances (e.g. weather), a credit will be issued to those participants who are registered and have paid for the activity.
- **REGISTRATION DEADLINE DATES:** Activities will close on the registration deadline date printed in the brochure for each activity, whether or not the participation limit has been reached. This is needed so that activity leaders have time to order supplies, including food, for that particular activity.
- **NO-SHOWS:** For participants who no-show for an activity, no credit will be given for that activity. Participants who need to cancel for extraordinary circumstances (e.g. illness, staffing or transportation issues, family emergencies, etc.) will be issued a credit for the cancelled activity. You **MUST** notify Mike Smeltz (330-374-4803) of the need to cancel in order to receive the credit. Try to make the notification at least 24-48 hours before the activity, as this allows for a chance to have another participant to attend.
- **ATTENDANCE:** When a participant consistently no-shows for activities, this prevents other participants from attending that activity. Participants who consistently no-show for activities, even though payment has been received for those activities, will be removed from future CFL mailings. A notification will be sent if you are going to be removed from the CFL mailings.
- **ACCOMPANYING PERSONS:** The need for an accompanying person should be based on the needs of the participant. CFL activities are intended for the participants to socialize with their peers, and we do not want family members or staff to hinder this objective.

For some activities (e.g. bowling, tie dye, crafts) accompanying persons will not be able to participate in the activity itself, with the exception of the meal portion.

For some activities (e.g. restaurant/movie, train rides), the accompanying person would need to bring their own money to pay directly to the restaurant, movie theater, etc. The price of the movie ticket will be posted in the brochure. The accompanying person should bring that amount with them at the time of the movie so that a ticket can be purchased along with the group. This will allow the accompanying person to sit with the group as there are assigned seats.

The monetary requirements of the food portion of the activity for the accompanying person will be printed in the brochure for each specific activity.

For activities where food is being served by the activity leaders, the accompanying person should pay the amount listed in the brochure for the particular activity if they wish to eat with the participant. The amount charged will depend on what food is being served and from where it is being purchased. The money can be either sent in with the registration or given to one of the activity leaders the day of the activity.

The number of accompanying persons per participant should be limited to one. If the participant requires more than one accompanying person, please indicate this on the registration form and provide a brief explanation as to why.

- **GIFT/PRIZES:** Only participants are eligible to receive any gifts or prizes given out at an activity.

**IF YOU HAVE ANY QUESTIONS OR CONCERNS REGARDING THESE POLICIES PLEASE CONTACT
MIKE SMELTZ (330-374-4803)**
